Specification Sheet

SOLYX UltraGreen®

SX-4516-UG Diagonal Stripes

Product Details

SX-4516-UG Diagonal Stripes features a striking 45° diagonal stripe pattern that brings a sense of modern movement and texture to glass surfaces. Created with our TruEtch™ finish, the design incorporates 7/16" etched stripes spaced 3/32" apart, closely replicating the look of etched glass. The balanced interplay of frosted and transparent lines allows natural light to pass through while softly obscuring views.

Flammability Rating

This product meets **Class B, s1, d0,** as specified in **BS EN 13501-1:2018.**
This product meets ASTM E84 and is classified as Class A as defined in NFPA 101, Life Safety Code®.

Specification

Product Code	SX-4516-UG
